

## TIPS FOR ENJOYING YOUR VISIT TO PINEY RIVER RANCH

- **Come early or come late.** The ranch is busiest during the hours around lunch. We suggest coming near opening or closing hours to have the most peaceful experience. We are open daily from 9am to 6pm.
- **Getting to the ranch.** You will need to put in Piney Lake into your GPS to get you to the ranch. Putting in Piney River Ranch will only bring you to the bottom of the dirt road which is still 45 minutes from the ranch itself. Best advice we can give you once you are on the dirt road is to allow yourselves about 45 minutes to get to the ranch and never ever take a left or a right – stay straight always.
- **Make plans to eat at our restaurant.** Our restaurant serves from 11am to 6pm daily. Whether you want a burger, a sandwich, a salad, tacos, BBQ, coffee, soda or a cocktail... we've got you covered. As we are a licensed premises picnicking is allowed only in designated areas. Please ask a staff member where you can picnic.
- **Wi-Fi and cell service.** Please be aware that there is no Wi-Fi on site and very limited Verizon cell service at the front desk. We think this is great as it's a chance to completely disconnect and enjoy all the ranch has to offer. In case of emergency we do have a phone in the lodge that you are more than welcome to use.
- **Talk to us.** We pride ourselves on having the friendliest staff. They'd love to help you find anything you're looking for, hear your story, or even share about their own experience of living and working at Piney River Ranch.
- **No Entrance Fee.** There is no fee to enter the ranch. We have a main parking lot located inside the ranch. Once that is full, we direct cars to park outside of the ranch in the USFS parking lot.
- **Have fun with your family & friends.** The ranch has lots to offer – horseback riding, water activities, hiking, eating, drinking or simply relaxing by the lake. The ranch is a place to slow down, to turn your phone off and to connect with people. We've found that those who come ready to unplug and enjoy time with loved ones have the most enjoyable experience.

**Please note: The ranch is located at 9350' feet which means the temperature is much cooler than Vail, so come prepared.**
